THROUGH

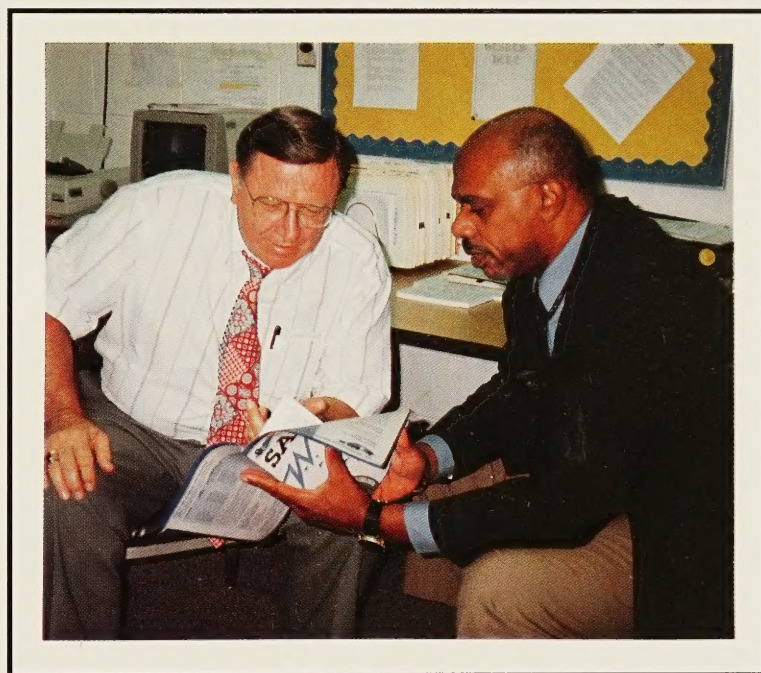

ALL

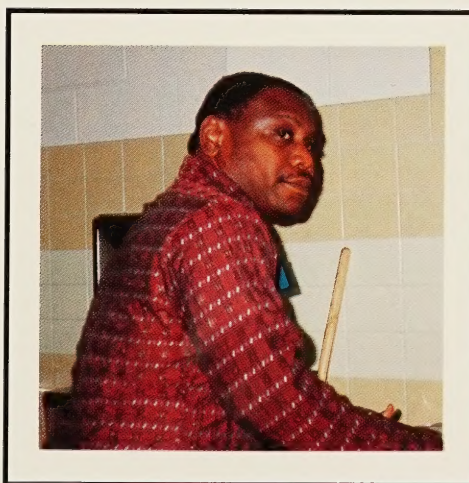

Already planning for the future, Andy Linton reviews scholarship information.

In a moment of free time, Mr. Cowley and Dr. Blakely discuss this year's SAT booklet.

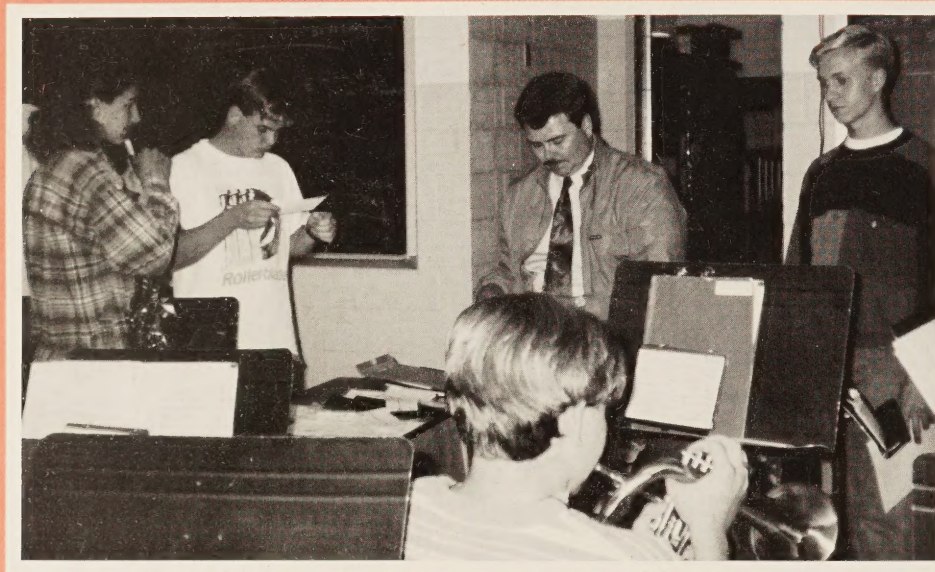

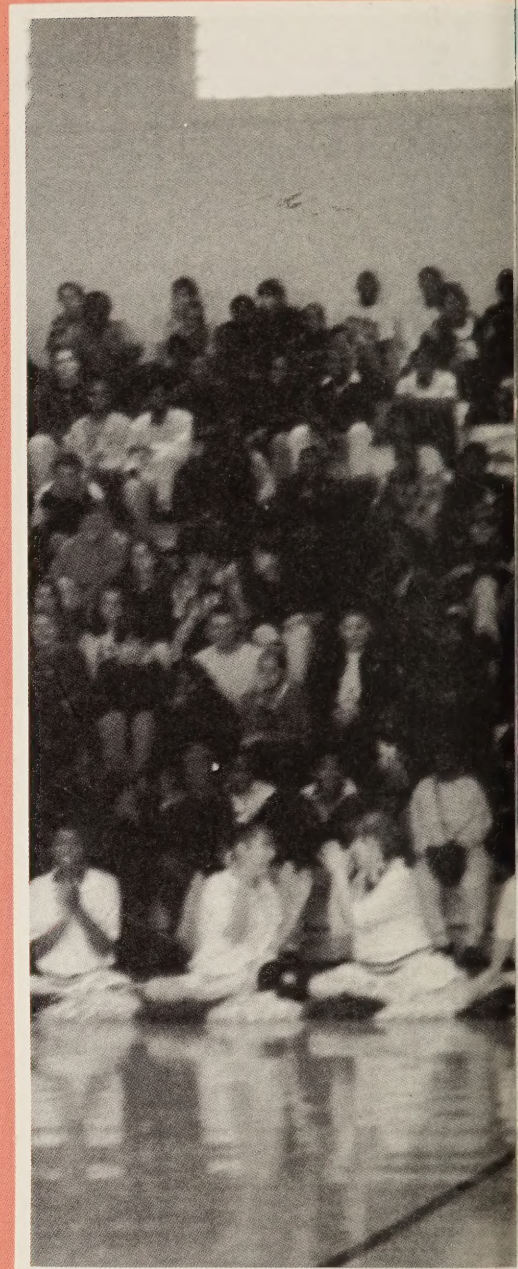

Through it all, janitor William Jones keeps Warwick sparkling.

Getting Down To Business

On September 7th it was back to business for students. Time to deal with the pressures of high school. The hectic schedule never let up. It seemed like there was never enough time to get anything done. Dedication of time did not end with sports and academics. Clubs and activities re-

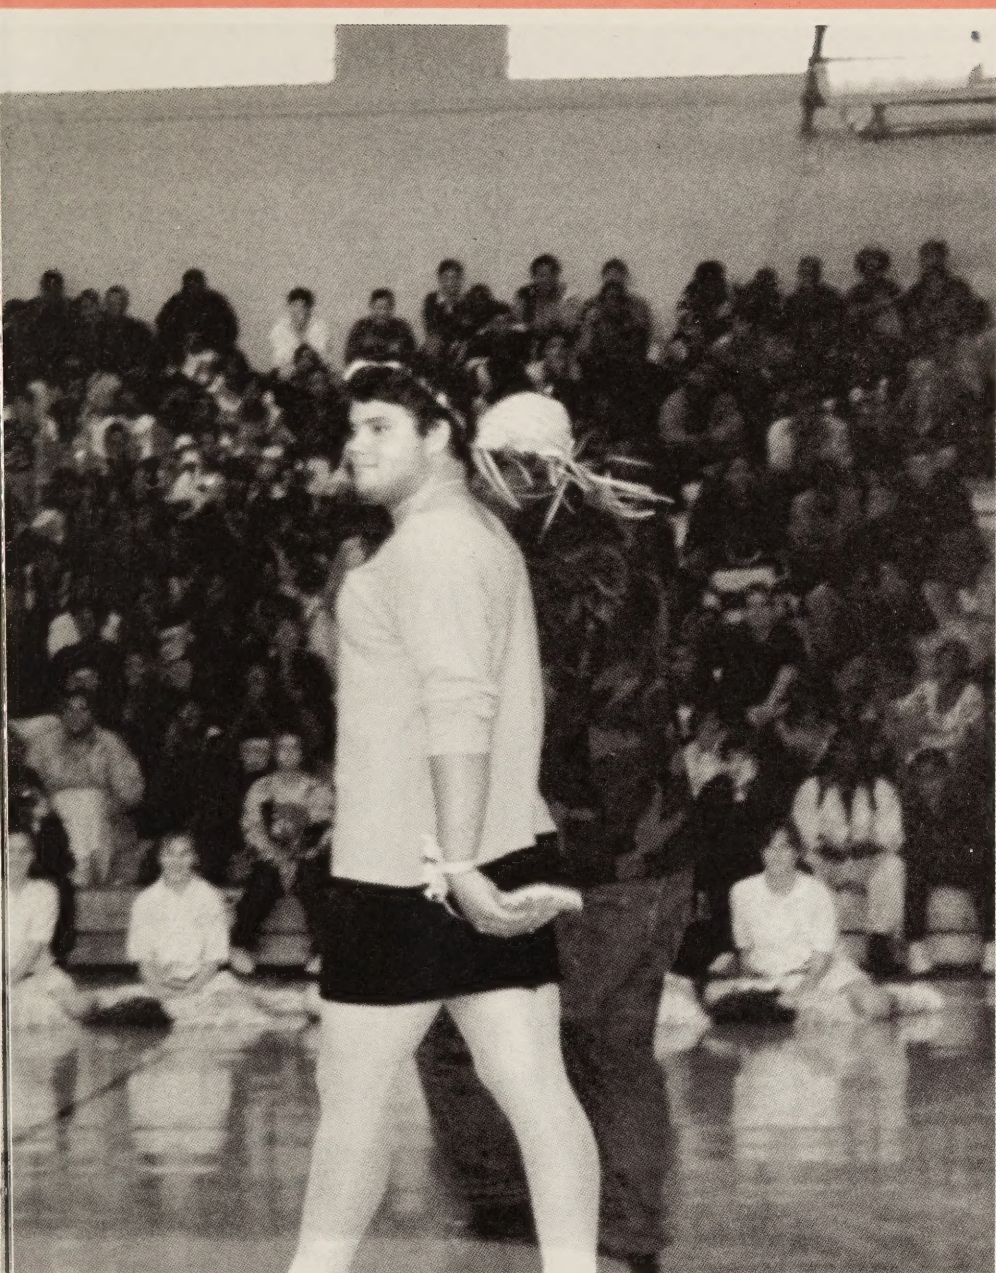

quired many hours of time and talent. Dance, honor society, band, chorus, and many other arts competed for time among the students and faculty. Many students worked hard on projects, homework, and research papers. All that hard work paid off during report time in June.

Hard at work making some Raider noise, Edward McClellan instructs students on how to make just the right sound.

Students Shane Davis and Torkeesha Henderson try to get in a little review before class.

Showing their strong feminine qualities, Danny Hardisty and William Powell strut their stuff at the first pep assembly of the year.

Students, you must concentrate on the vegetables. Watch out they could be dangerous, keep your goggles on.

We've got plenty of work to do guys! Plenty of Warwick students to keep in line!

Shout a little louder

The fall pep rallies encourage students to have fun and show school spirit. Varsity and J.V. cheerleaders as well as the dance squad provided great entertainment. Coach Lyons gave a few

words of encouragement for the football team reminding everyone to come out and support them. Besides football, all other fall sports were recognized. Altogether the pep rallies were fun.

Varsity football players Dominique Banks and Dwaine Gray show off for the crowd.

Imitating the Ferguson Homecoming Court are Varsity football players Cliff Stokes, Terrell Jones, Tyrone Perry, Brian Holub, and Danny Hardisty.

Forming a W are Varsity cheerleaders Jenny Gabb, Christina Singhaseni, Mian Porter, Erin Tompson, Lakeshia Major, and Bettina Joyner.

Varsity cheerleaders Michelle Holt, Jennifer Emmett, and Marika Lewis get the crowd into the spirit.

Our Raider Mascot grooves to the music of the band.

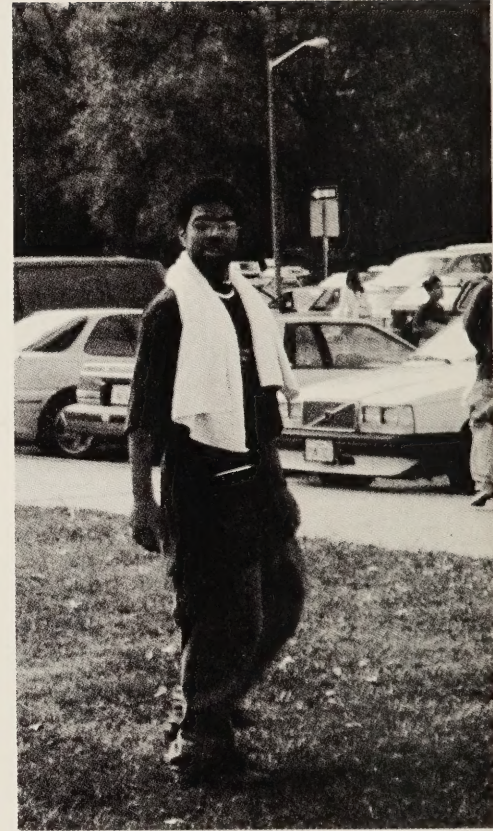

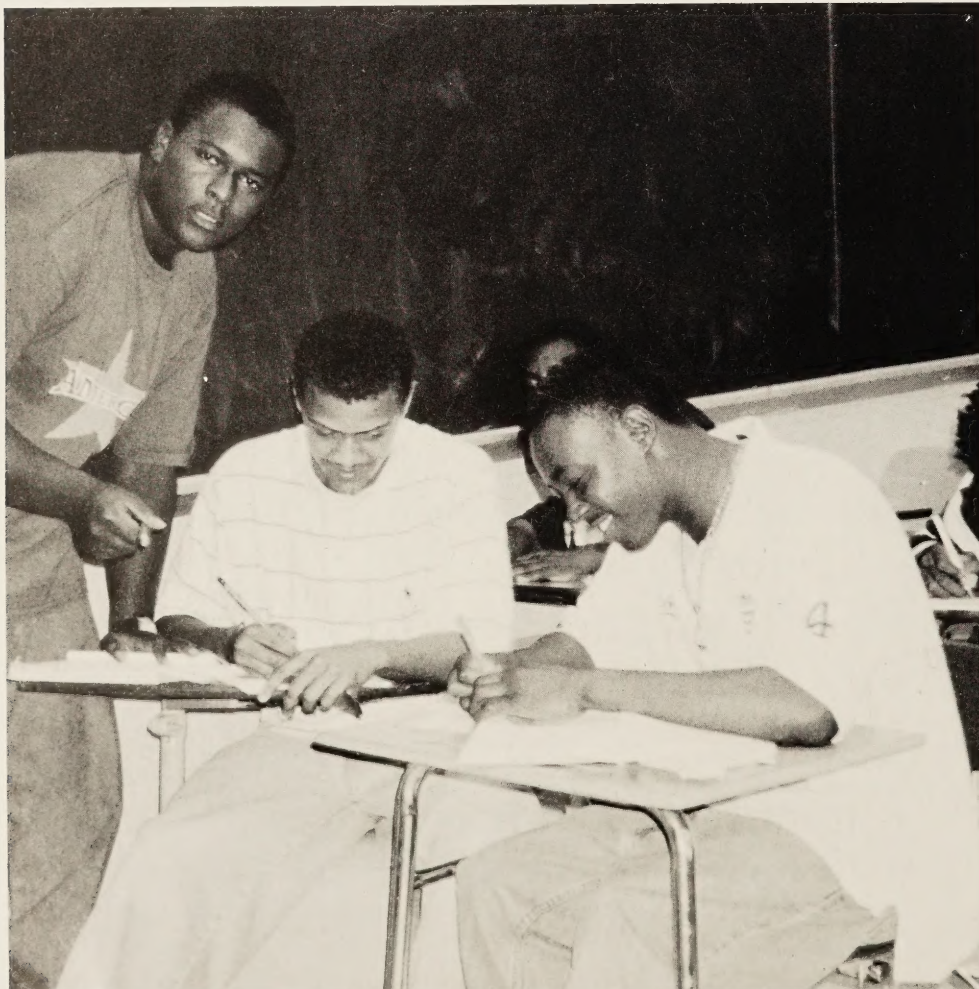

Varsity cheerleaders Jenny Gabb and Jennifer Lyons cheer on the Juniors and Seniors.

FASHION AND W.H.S.!!!

During the course of years, fashions come and fashions go, but at W.H.S. fashions are always in. From teachers to guidance to stu-

dents, fashion is constantly changing and the working bodies of WARWICK HIGH are always into it.

Fashion is just a part of Ray Cypress' daily activities with his towel, Polo shirt, and Guess jeans.

Attempting to finish their classwork, Cliff Stokes, B.J. Foster, and André Young can't stop talking about what's hot and who's not.

From head to toe fashion comes natural for Mrs. James as she goes over her class assignment.

Getting checked up on the latest styles, Monique Petteway and Donnie Gulick just can't get themselves together.

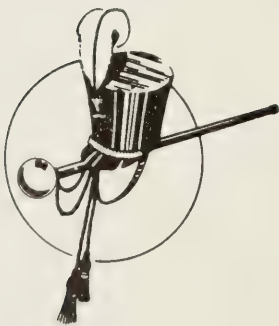

Fashion is always in concern of Dwight Nicholson with his "Yes" shirt and Guess jeans and Kippy Smith with his Khaki pants and collared shirt.

Watch out Madonna here's April Connor and C.J. Wallman discussing the definition of fashion.

THROUGH IT ALL

The band and the flag corps play their hearts out.

The flag corps practice as they await the competition.

A trumpet enthusiast, Rusty Williams plays his heart out.

On October 1, 1994 WHS, the #1 marching band in division A and double A competed in the 7th annual Menchville Monarch Band Invitational at 2:30 p.m. at Todd Stadium. The band is marching their way up to the top. Under the direction of Mr. McClellan, Mr. Garcia, and Mrs. Green the band has exceeded their own expectations. They have not only demonstrated, but also proven that with hard work, ambition, and determination, all things are possible.

Through the Night

Prom, the last dance of the year, and the last high school dance for the graduating seniors. Judging from the looks on the faces of these seniors, it was also a time they'll never forget. After the endless dancing, laughing, and goodbyes, you'd think

they'd be tired, but not these seniors. The night was still young, bouncing from party to party, the class of '94 sure made some lasting memories. As far as memories go Warwick High, will always have fond memories of the senior class of '94!

Representing Warwick's finest is the 1994 prom court.

REACHING FOR THE STARS!

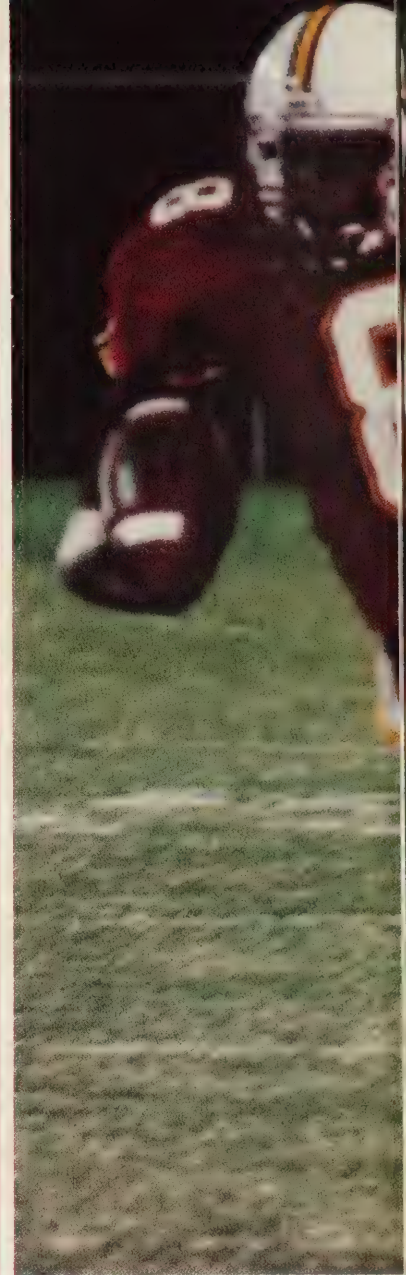

This year our Warwick Raiders went to the Homecoming game excited. But much to our dismay we were defeated 7 to 10 by the Ferguson Mariners. All the events that led up to the Homecoming game only helped our spirits to rise. The Homecoming assembly, the

pep rally, and spirit week. We were definitely excited about the game and practically everyone was there. It was a very close game until the very last second and although we lost, we didn't lose our pride because we kept REACHING FOR THE STARS!!

Charging ahead, Tyrone Perry, quarterback, sneaks the ball from William Clark.

DANCING THE NIGHT AWAY

Homecoming has been a tradition here at Warwick for many years. Homecoming is the event at which new students are welcomed and introduced to the events of high school life. The upper classmen come to enjoy themselves with friends and to create memories that will last them a lifetime. All the excitement began on October 3rd with the start of spirit week, where students participated in the following events: Monday — college sweat shirt day, Tuesday — tie day, Wednesday — jeans day, Thursday — favorite sweat shirt day, and Friday —

maroon and gold day. A Pep Assembly was also held on Friday, where the football players and the cheerleaders demonstrated their spirit of Homecoming '94. That evening the Raiders took on the Mariners in an exciting football game. At halftime the Homecoming Court was presented and Ikai Watson was named Homecoming Queen of 1994. The dance took place in the WHS cafeteria on Saturday October 8th. Everyone danced and enjoyed themselves, making Homecoming '94 a great success!

Leading Us Through

Every year the S.C.A. brings new members and changes to Warwick High School. S.C.A. members were determined to make this year one of the best ever. With new faces and new ideas, they pulled through and planned for an exciting year.

Many people don't know what the Student Council Association does around school. They started the year off with the selection of Warwick's future by electing freshman class officers. Under

the firm guidance of Mrs. Williams, they continued the year by creating and sponsoring activities for Homecoming. Through the year they participated in food drives, Operation Smile, and they also kept themselves busy organizing activities and dances for every class at Warwick. The S.C.A. is an honored part of our school, and **THROUGH IT ALL** they made new memories possible for all to experience.

The chorus pays close attention to their director, Mrs. Powell, at a S.C.A. sponsored assembly.

At the Homecoming dance, Tosha Smith and Eve Butler break away from their dates to smile for the camera.

Dancing the night away are Homecoming queen Ikia Watson and principal Michael Evans.

Always eager to lend a hand in out-of-school activities, Mrs. Ivy Lee awaits the Homecoming dates to accept their tickets.

S.C.A. sponsor Mrs. Sharon Williams erases the board after teaching a lesson.

Dance Elite performs a ballet dance at the Homecoming assembly.

TIME WELL SPENT?

In every corner of Warwick there is something different going on. From cooking in Nutrition to hackeving at lunch. Upstairs, downstairs, inside, and

outside there's only about a million things to get caught up in. Still we all find time to relax whether it be on a trash can or just on the floor.

During lunch, friends like Rue Daniels, Anthony Fennell, and Robin Willis will sit or stand anywhere.

Megan Gore and Jason Kriner work well together to finish this poster.

Heads up! As these guys play hacky-sac, rain or shine all in a thirty-five minute lunch.

Being caught off guard, Derod Sessoms dreads what he might pull out of this oven.

Kelly Campbell not paying any attention, while Jamilia Benthall, and Merika Lewis pose for the camera.

Sharon and Donna don't look like they want to move any time soon.

Everyone Makes the Grade

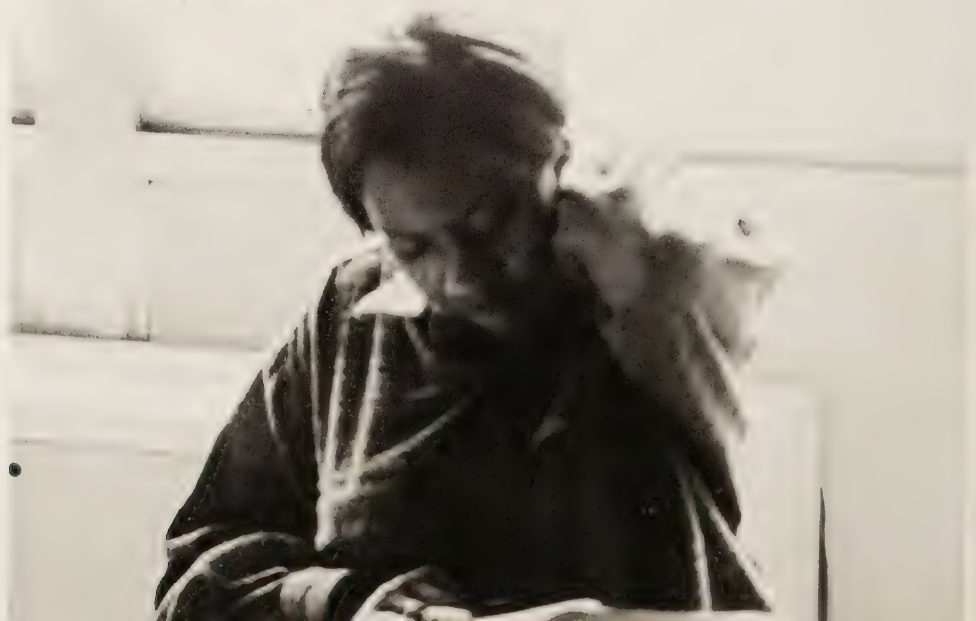

Everyone knows to go far means to learn by experience, so we all get a shot at really blowing it or successfully exceeding in an area. When we learn this little life lesson, then we can apply ourselves to academics, arts, sports, or anything we want in the world. What makes students unique is that we all make the effort to one extent or another and those who don't have to learn the hard way because a good student accepts a good struggle!

Students and faculty have the stress of making the educational process exciting. Although the students make up the majority of the school, the faculty and administration play a big part in it all. Teachers and staff have the challenge of instilling valuable learning skills. And with everyone's help it all comes together in an organized manner with spirit and Raider pride.

What to do next! Mrs. Wilson and Mr. Blakley ask each other as they shuffle through a pile of papers.

Trying not to strain her neck, Tory Miles reads continuously and concentrates.

Some students try and stay fixed on the teacher while others just help each other out with the work.

But I don't understand! — Asks this confused student.

Mrs. Mark is working hard in the office while finding time to smile.

HELPING US THROUGH

"Mrs. Lamberton! Do you have a minute? It's an emergency!" "Mr. Evans it's a matter of life or death! I need to talk to you, now!" "Really Mr. Way, I wasn't skipping I was sick! . . . Here are a few of the headache producing problems that the administration must put up with every single day of the week. But we know without the principal, assistant principals, secretaries, food service staff, and guidance our school would fall apart.

THROUGH THE BOOKS

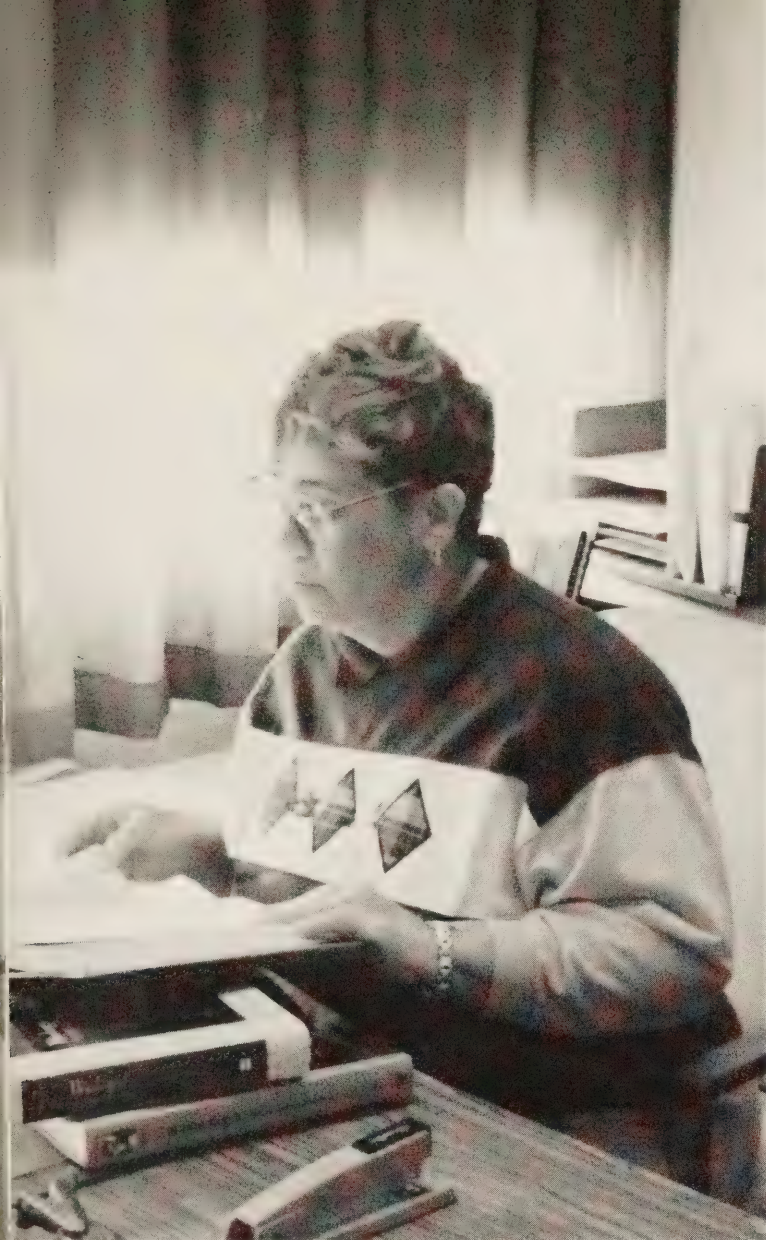

Though every student may not enter the library every day, it's always nice to know it is there. The library comes in handy for research papers, science projects, and for times when students just want to escape in a good book. The librarians work hard every day to keep the library clean and organized. With the help of their student assistants, the Warwick library stays in great shape for all who wish to use it. Senior library assistant Kippy Smith says he likes working in the library because "The li-

brarians are nice and fun to be around, and I like having time to do homework." Dwight Nicholson, also a senior, agrees with Kippy about the librarians but adds "Some of the girls that come in here are real cute." Well . . . no matter what the case may be, Warwick students will always have a place to "hit the books."

Future artists practice to make their talents perfect.

Among many talents seen at WHS, the dance club adds a unique touch.

THROUGH THE ART

At WHS there is more to learning than just the basics. Students enjoy a curriculum filled with the arts.

One program offered is dance. The Dance Line performs at various assemblies throughout the year. They perform a variety of traditional and modern dance. As head of the choir, Mrs. Powell

led the singers in harmony through many events at Warwick. Many students choose to expand their talent in one of the art classes offered. Students' work include self-portraits, pencil drawings, collages, watercolors, and more. Their works are on display throughout the school.

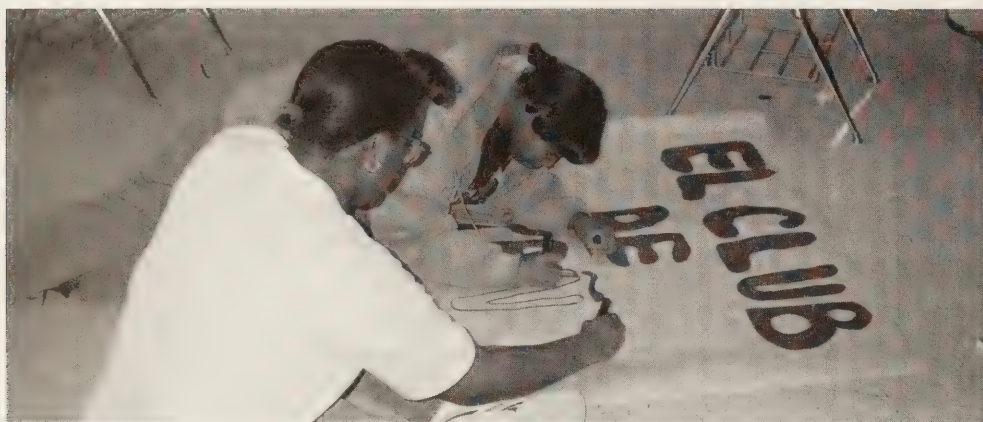

The choir not only sings but also dances and pose for the camera as seen.

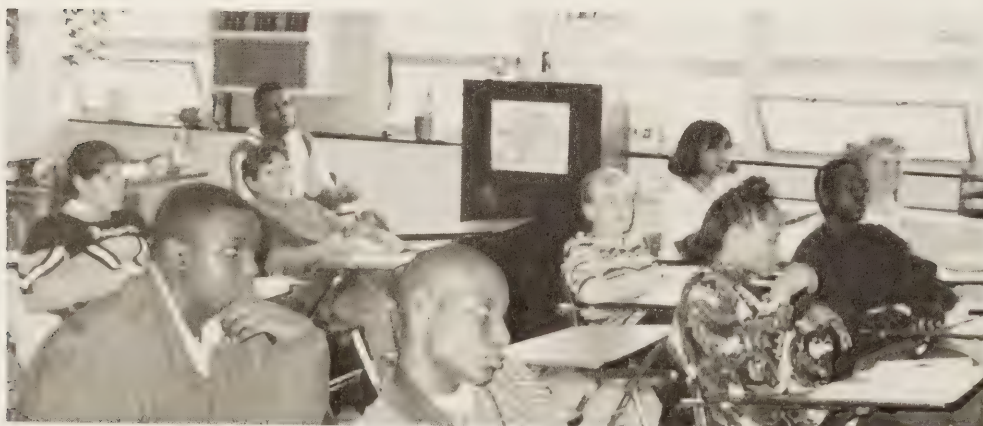

Throughout The World

Every year, Warwick students sign up to learn more about the world outside of Newport News, VA. They do this by way of foreign language classes. Students enrich their knowledge of other cultures by learning their language along with history, culture and even an eventual lesson on the countries cuisine.

The M & B

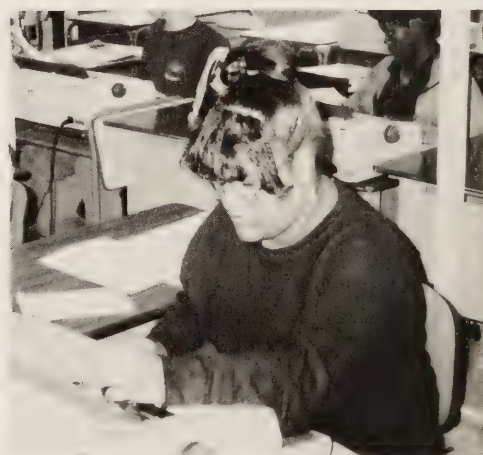

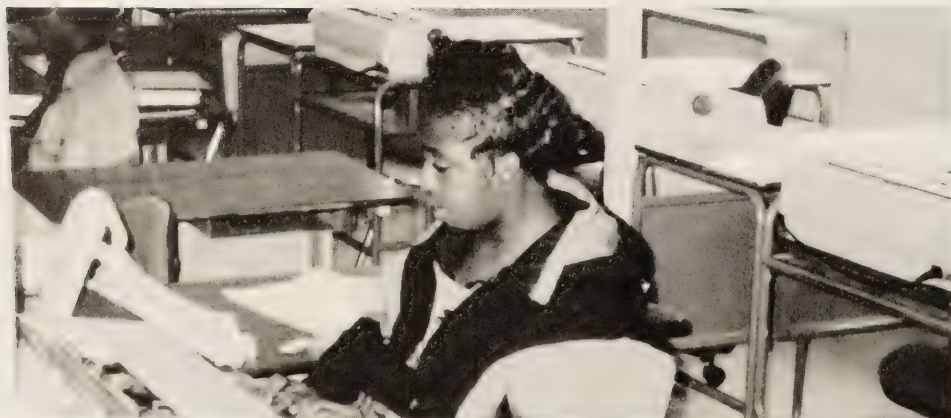

Part of the long hard struggle of getting a diploma and graduating was taking two years of math for a regular diploma, and three years of Algebra I and above for an advance diploma. Students worked towards both types and had different views of their particular math courses.

"It's hard at times, but worth it in the end," commented Donna Murray, one of Mr. Hornes' second period Algebra 2/Trig. students.

While many other students said they were only taking what they had to, then

no more math for them.

Business classes like record keeping, accounting, and business law were not a requirement for either diplomas, they could be used for an elective or practical arts requirement. More important, in some classes such as marketing, students had the opportunity to actually get a job in their field of study and earn money while they learn. In the meantime, they received the training and knowledge needed to pursue a real career after graduation.

World of Science

Students and Faculty had all kinds of fun in their attempts to make the educational process exciting. Especially in the field of Science. Science is a very interesting subject to learn. It takes you on trips you have

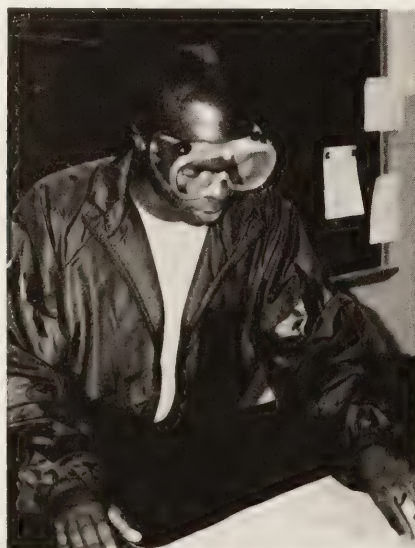

never been before and includes a lot of different experiments. Some Science projects are also fun to do because of the fun things you get to do.

A YEAR IN SPORTS

Hard work and dedication are important parts of the Raider sports program. Students practice hard everyday after school. Some teams, such as basketball, practice on Saturdays. Football, track, and field hockey begin practicing during the summer.

Playing and practicing everyday gave students endurance and team spirit. Student managers supported their teammates and encouraged others to attend games and meets. Through it all, the wins and losses, the teams appreciated the support of their fans.

Raiders In Action

The '94 Raiders definitely get busy with no question. We have a host of Raiders that are on a rampage. Danny Hardisty, Tyrone Perry, Isaac Randolph, Marvin

The Stick Game

The Field Hockey team had a great season. Every player, Varsity and J.V. was determined to do well for their school. Although there were a few losses the Varsity team did very well. They won many games not as individuals but as a team. We will lose many good players this year,

but have many promising J.V. players to look forward to. Every year the team gets better and better. Next year other Field Hockey teams better watch out because at the rate the Raiders are going there's no stopping us.

Cross A Tee

Work, work, work. It seems as if that's all the Golf, Boys cross Country, and Girls Cross Country Teams did. Both the Boys and Girls Cross Country Teams stayed many hours after school running many miles. Though practices could be tough they never gave up. All this practice paid off when meets came around. The Golf Team had another good year. Not being the most popular

sport at W.H.S, there were not to many spectators to be found at the matches. Despite this fact, the golf team gave it their all this season. All three of these sports deserve a big pat on the back. All team members gave their best and made W.H.S proud.

SWINGIN' AND SLAMMIN'

The gymnastics team this year was once again a part of Warwick's pride. They flipped through the season successfully, only losing one meet. The team finished a disappointing third in the district, but posted the second highest score of the season. Head coach Valarie Fauntleroy said of the team, "I'm very proud of all my girls. Each one reached personal and team goals and I'm looking

forward to an excellent next year."

The Raider wrestlers also had a great season. Coach Nash said, "This was a great first season as coach. I look forward to next year with nine returning lettermen." The team's record was 7-7, and they had six people place at districts. Three dominating wrestlers: Ron Mcrae, Dan Brannon, and Ronnie Callis went to regionals.

RUNNING RAIDERS

The girls' and boys' track teams established themselves as an important part of the school's extracurricular activities. Staying after school for strenuous practices gave the teams the endurance they needed to accomplish their goals. Dedication was demanded.

The track team was extremely successful this year. There are so many different events involved with the sport

of Indoor and Outdoor track, such as cross country, jumping high jumping, triple jumping, various meter relays, etc . . .

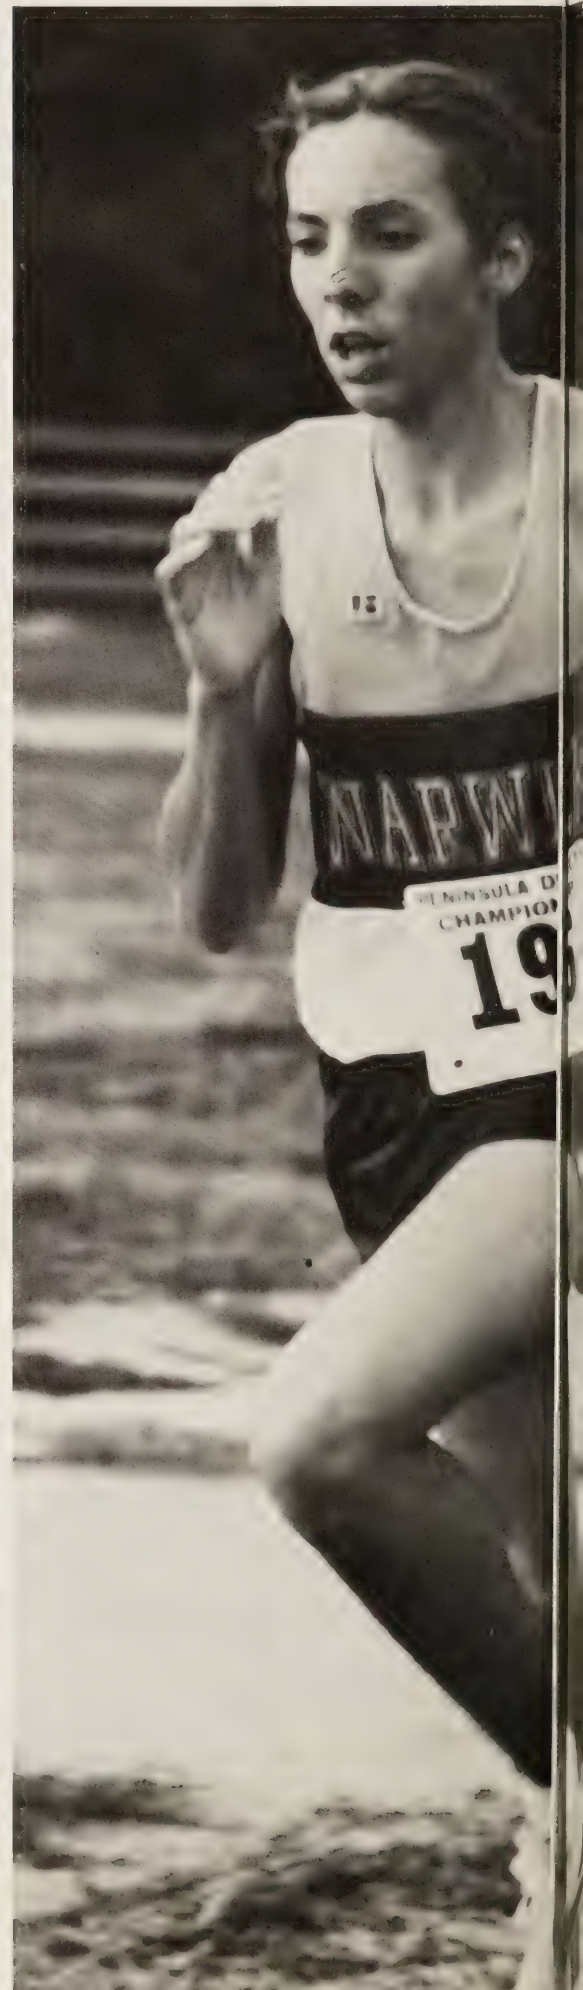

One of our track star Raiders, Emanuel Yarborough, made it to the districts with his hurdle jumping. Darrel "Speedy" Brown, also made it to districts by simply running.

What's All That Racket:

Anyone care to play ball? No not basketball, tennis! Tennis is one of the up and coming popular sports. In the last couple of years the girls' and boys' tennis teams have gotten even better. Once again, they swung their way to many victories and a good placing in the Peninsula District Championship.

Both the boys' and girls' teams worked very hard whether it be in singles or in doubles. Their endless hours of training taught them to work alone or with the team. These nineteen athletes knew what it took to make a great and successful Raider team.

Going . . . Going . . . Gone!

The varsity and junior varsity baseball teams displayed to their school their hard earned victories. The team worked diligently on all aspects. They practiced consistently. The teams required lots of dedication, which they displayed throughout the season.

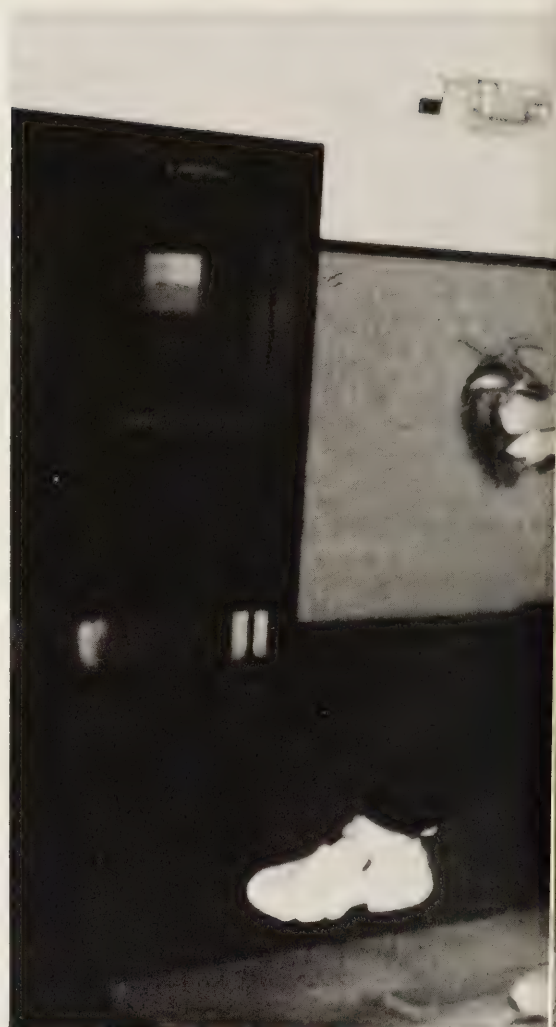

The softball team also worked hard all season. They had alot of returning players and some new comers. "The team has a lot of good players and we've bonded, and played together for years." "This makes us who we are, the best!" Jill Gillespie said.

Kicking Through the Water

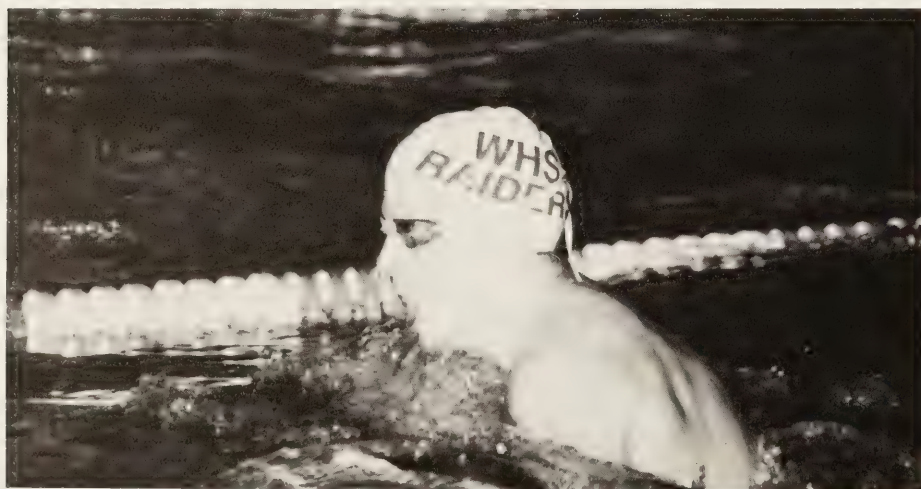

Soccer is back this year, and a lot more people are on the field to show for it. The 1994 World Cup might have had something to do with it. Maybe the world's favorite sport is going to hit the U.S. by storm.

This season approximately 60 players showed up to play Warwick Raider soccer. Varsity Head Coach said "In the 7 years I have been coaching, we've never had a turnout like this." Instead of having to cut players, 3 teams will be formed. The 3 teams are Varsity, Junior Varsity, and the Developmental team. The Developmental team is a team for beginning players, and was developed

so these players could improve their skills.

This year there is a new Junior Varsity Coach. Gary Smith, the new coach, is a former Coach for the girls UVA soccer team. Gary is also a former player for the UVA team. Gary said "I look forward to working with the team, and the talented players at Warwick."

This years swim team has had a good year. The guys swimming team finished third in the district, following Lafayette and Ferguson. The girls swimming team finished fourth in the district following Lafayette, Tabb, and Ferguson.

Coming up for a breather Warwick swimmer Matthew Arnold, gives it all he's got.

With a face of pure determination Warwick swimmer Ryan Shelton looks to the finish line.

SWEET! Matt Howser gets position for a perfect execution of a bicycle kick.

Shielding the ball Jason Kelly gets slide tackled from behind by Andrew Hyatt.

Stepping toward the ball Jason Merrit shows his skills as he moves the ball upfield.

Making a supporting pass Christina Singhaseni shows the guys how it's done.

TOO HOT TO HAND

Built to perfection, C. Singhaseni, J. Benthall, M. Broome, J. Emmett, J. Gabb, M. Holt, M. Lewis, M. Porter, J. Onks, J. Lyons, E. Thompson, B. Joyner, T. Taylor, L. Major, demonstrate a pyramid.

Keeping the Spirit Up . . .

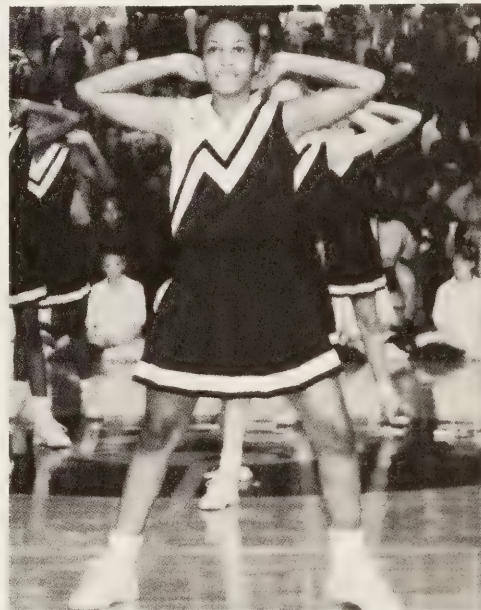

As with many sports, cheerleading has many advantages. Some of these advantages of being a cheerleader is being looked at as a leader and playing an important role in building school spirit.

Cheerleaders went above and beyond their call of duty when it came to school spirit. They helped raise the spirit of the crowds at Football and Basketball games, by performing cheers, dance routines and pyramids.

When asking cheerleaders how they felt about cheering they responded by saying, "Cheerleading is a sport that takes a lot of time and energy but in the long-run it is all worthwhile!"

Showing their Homecoming spirit, Christina Singhaseni, Jennifer Lyons, Jennifer Onks, Michelle Holt, Mian Porter, and Meredith Broome take time out to pose!

Dancing at the Pep Rally, "Peachuz" Lewis pumps up the RAIDER spirit!

Performing at the Gloucester Football game, the Varsity Cheerleaders execute their halftime routine by ending with the "cluster" formation.

The Many Faces In The Crowd

The most important part of the school are the special students. If it weren't for the spirited Raiders, there would be no Warwick High School. The freshmen added new faces to the school. The sophomores added new cars to our jam-packed parking lots. The juniors were busy preparing for activities such as Ring Dance and S.A.T.'s. The seniors added the extra touch in their last year as they made big

decisions about the future and reflected on the past years in school. And what makes the many faces in the crowd stand out? The Raider students' display of union in fellowship and order. This happened when all of the classes put forth their best effort to make the most enjoyable year for themselves and emit pride for Warwick High School.

Watch Out! or else you may be run over by Raiders at the end of the school day!

Can't fool us! We know it's that Mrs. Wimberly trying to be scary on Halloween.

Monique Pettoway and Donnie Gulick stop for a little socializing in the hallway during class time.

Looking quite indecisive this student wonders about where to go next.

These students have places to go and teachers to see, so watch out because everyone wants to get to class on time!

JUST

LOOK

AT US NOW.

Doing her Whoopi Goldberg impression, Tiffany Palmer is having the time of her life.

Listening to their usual daily lab, Shelly Graves, Burnitta Johnson, and Vannesa Starkey get instructions from Mrs. Bowen.

Tihana Korsec is Warwick High School's foreign exchange student. Tihana is from Croatia, Zagreb. She has an older sister, Larisa, who graduated from Warwick three years ago. Larisa now attends the Croatian University for English and Spanish. Tihana's parents are both from Croatia. They have never been to the United States and are both doctors. Tihana's future goals are to become a doctor and to continue modeling. She also wants to be good at all sports. "So far it is great. Teachers are nice and some people are cool," are Tihana's thoughts about the U.S. Tihana's goal while she is here to improve her English, to learn lots of things about the American culture, and to meet lots of young people.

A GREAT ATHLETE!

Tyrone Perry has been quarterback for the Warwick Raiders for two years. In that time he has achieved many accomplishments. He not only plays football, but he also plays basketball. Last year he received Most Valuable Player (Offensive) in football. "I feel my accomplishments at Warwick have

given others someone to look up to," Tyrone stated. Over the summer he was chosen to go to Virginia Boys' State. He is a member of NHS and has a GPA of 3. and above. Tyrone's biggest inspirations have been his father and mother.

Juniors

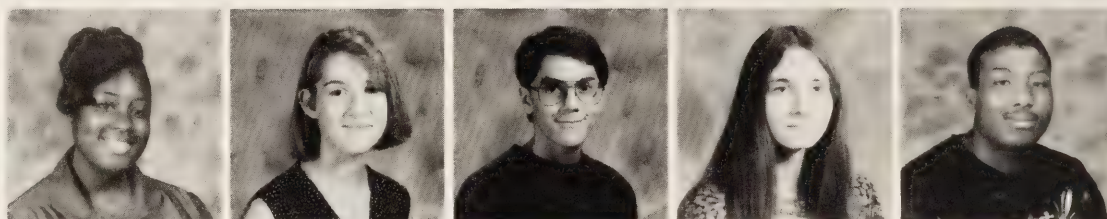

Being a junior is more than just being one step down from the top. The transition from sophomore to junior is a giant leap. You're expected as a junior to be more mature, organized, and familiar with the surroundings of high school.

Eleventh grade is probably the first year that the importance of academics with a family atmosphere is noticed. The juniors of ninety-five knew exactly what road to take. The transition leading to adulthood was a breeze, and maturity

was present without question. The juniors always set an example to lead others THROUGH IT ALL.

Romance in the Night

Ring Dance was indeed a very romantic and fun filled night. It was held in Warwick cafeteria on December 3, 1994. The blue and silver decorations made everything sparkle. The lighted candles on each ta-

ble also set the mood for the evening. This was a very memorable night for everyone who attended. The crowd was small but we had a blast!

Denny Price and Jamelia Benthall taking a break from all the dancing.

Matt Grimes, Carin Hardman, Kara Streaker, and Jay Williams discussing the plans for after the dance.

Jennifer Yoder and her date next to Casey Sauer and Eric Wignall, all having a great time at Ring Dance.

Brooke Schubert and Chad Townsend dancing the night away.

Brandt Owens cheesing big for the camera!

Rashida Freeman and her date approaching the dance floor.

Sophomores

Now entering the school considered upperclassmen and knowing all the ropes, the freshman fear was gone. Sophomores were not looked down on as before, and that gave them a little more to look forward to. Not having to worry about getting lost or making new friends this year was a little easier.

The hard part came in when they realized how they have to start

getting ready for college. It was not a real problem, though, because only two years left is what most of them saw. Trying to wait patiently for their ring dance, prom, and then graduation that is no longer two years away, although ordering their class ring this year made it seem even closer for some.

Freshmen

Warwick High School was literally overloaded with freshmen this year. The upperclassmen had to get used to all the new faces and the over crowded hallways. The teachers had to also get used to all their new students.

Meanwhile the new freshmen had to get used to new administrative personnel, new teachers, a whole new environment, and basically a whole new way of

learning.

Not only did the freshmen have to get used to new rules, the people in the upper classes had to deal with them also. The freshmen had to realize that high school is a whole new ball game compared to middle school. High school is bigger and harder. But, all aside, the harder you work the more likely to succeed!

FACULTY

The primary goal of every teacher is to leave at the end of the year with a feeling of accomplishment. Here at Warwick the teachers not only educate minds, but they also become part of the action. Aside from being qualified for their jobs they took extra steps to insure that their students were receiving the best education possi-

ble. Warwick's faculty members are dependable, honest, trustworthy, loyal, and very confident. Their confidence and reassurance helped many students through difficult times. When looking back on the 94-95 school year, there's no doubt the faculty achieved their annual goal.

Madam LaBelle, Mr. Horne, and Mrs. Holman relax and discuss topics brought up during the retreat.

Mrs. Coltrain and Madam LaBelle get away to enjoy the beauty of nature while at the retreat.

Sporting his Warwick Math Dept. t-shirt, is Mr. Horne.

The team of teachers attending the conference Mr. Watson, Mr. Holder, Mrs. Hobson, Mrs. Danely, Mrs. Coltrain, Mrs. Bond, and Coach Worthington, received good ideas from teachers of other schools.

Through The Fun

Clubs, clubs, and more clubs, Warwick offers a wide variety of activities for students. From Academic based clubs to performing arts, Warwick gives students a well rounded choice. Clubs include Key Club, FBLA, NJROTC, S.C.A., Class Executive Boards, Honor

Societies, Art, Computer, Science, Dance, Drama, Chorus, Sight and Sound, DECA, Natural Helpers, SADD, Foreign Language, Academic Team, Debate, Forensics, Model U.N., Band, Flag Corps, Literary Magazine, Quill and Scroll, Newspaper, and Yearbook.

Mrs. B. Lowe, and four members from the Junior Class show off their spirit on Slipper Day.

The J.V. cheerleaders strut their stuff to help cheer up a losing team.

The 1995 Warwick Chorus tries to add a little drama to their act.

Jessica Jones takes a picture of another student taking a picture of her. Who says that the Newspaper staff has no fun.

Jennifer Emmet takes a little shut eye for a moment. The yearbook staff never rest.

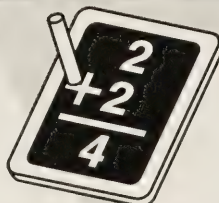

THROUGH THE BEST OF IT!!

The Honor Societies of Warwick are true to their names, for it is truly an honor to be a member. Many students enter high school with the dream of being accepted into one of these clubs. Honor Societies encourage students to excel in many subjects. The various Honor Societies established at Warwick include:

French, Spanish, Math, Art and The National Honor Society, to name a few.

Pictured in the above photo, **Jill Gillespie**, **Chelé Williams**, and **Vanessa Starkey** prove that honor students can take time out from their studies to have a little fun.

The German Club sponsor Mrs. Mitchell holds up the stained glass German flag she received as a gift from her students.

Mrs. Dupuy's Spanish students are getting restless as they wait for class to begin.

At a German Club function, members Rebecca Winfrey and Irma Puckett are quick to notice the camera.

International Affairs

Warwick's foreign language clubs provide students the opportunity to learn more about the culture of the language they have chosen to study and to hang out with their multi-lingual friends.

French Club President Eric Weisz describes the club as "offering insight into the French culture . . . without having to buy a plane ticket!" Linda Partain, club Vice-President, says "The French Club is an experience no one should miss."

The German Club, sponsored by Frau Mitchell, is best identified by its members as having many club activities. Senior Alyssa Glover says "We have many cultural experiences and a lot of fun!" The fun, says Kristen Weisz, is because "we have a cool sponsor and we get to go to eat and have parties."

Heading up the Latin Club is Mr. Callis, who allows the students according to Holly Aleandro, the "great opportunity to experience Latin outside the classroom."

Laurie Spiers, the Spanish Club inspirationalist, describes the club as "more productive this year; with Mrs. Martin's

leadership we will continue to do great!"

The Warwick yearbook staff, always promoting the breakdown of cultural barriers, would like to offer our readers this mini-tutorial in necessary phrases.

"HELLO"

French — "bonjour"

German — "guten tag"

Latin — "salve"

Spanish — "hola"

"CAN I GO TO THE BATHROOM"

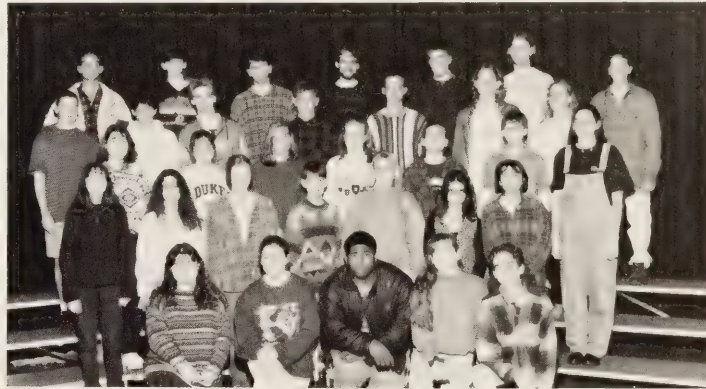

French — "torrais-je aller aux toiletts?"

German — "darf ich auf bie toilette gehen?"

Latin — "eam ad latrinam?"

Spanish — "peudo ir al bano?"

Although less important in other cultures, "il tire un sac de pommes de terre" ("He is pulling a bag of potatoes") is a necessary phrase should one decide to travel to France.

IN OUR OWN WORDS

Throughout the year, memories are made there are many things, special times that Warwick students want to remember . . . friendships and special moments. The goal of the Yearbook and Newspaper staffs, is too capture some of those special times at WHS.

Many students do not realize that the mission of the Yearbook, Literary Magazine and Newspaper

staffs is not an easy one. With the numerous activities going on and the huge student population, putting together a publication that captures the essence of a school year is an incredible undertaking. It takes a certain kind of student to meet the challenge and stress. These students embrace the challenges. These staff members enjoy their frustrating jobs!

All Entertainment

It takes a lot to entertain a high school student. The Art Club, Flag Corp, and Drama Club provided many great distractions during the school year.

The Art Club provided the school with many outstanding works of art. Their work added a little color to the hall's of Warwick this year. You could see many wonderful drawings and paintings anywhere you went in the school.

The Flag Corp consisted of many dedicated young ladies. Many hours were spent after school practicing. The Flag Corp provided great entertainment during Pep Rallies and at the halftimes (during football season).

You want acting, we've got it. The Drama Club worked hard this year to perfect the art of the stage. Many of the students are very promising actors. Although no plays were produced this year, we look forward to seeing some next year.

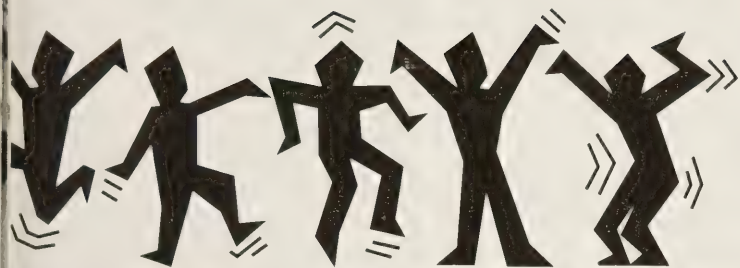

All three of these clubs are full of great entertainers. All the participation of the students made these clubs successful. When you see the work of these clubs you will know they are full of entertainment.

In perfect formation are Flag Corp members Sara Jones, Cheryl Seegraves, Dawn Tilson and Band members Jason Kriner and Johnathan Rose.

Flag Corp member Renee Shields keeps in line behind Band member Haley Elliot after they leave the football field.

Through The Melody

Two of the most creative institute are the Band and Chorus. The Chorus presented a wide range of voices and performed at most of the assemblies. Behind all the commotion of performances was the Band. Wind

and rain couldn't stop our Band from competing. They endured grueling practices, marched like crazy, and performed in every type of weather, but through it all, the Band still played on.

Advanced Chorus:

Row: 1 — Maria Singleton, Joi Gatling, Jamie Gilbert, Faith Favreau, Lawanda Evans, Tikeeya Irvin.

Row: 2 — Terrance Battle, Clifton Stokes, Tornell Jones, Eric Dowdy, Jasaline Hemby, Rashida Freeman, Ebony Clark, Crystal Barnes, Sative Eley.

RAIDER LIFESTYLES

While teenagers are in high school they realize that they are coming closer and closer to the real world. Students are introduced to the working world and learn to interact with the public. Raiders at Warwick found that they were capable of mastering their own education as well as evolve in the environment to the best of their ability.

The support we give and receive from

the community helps us grow and mature. Throughout the students education process, they will develop and exercise living skills that will help them manage their lives in the future. Most students realized they were going to perform some role in society. With the help of teachers at Warwick and peers in the community, the students were able to guide themselves in the right direction.

Mingling with the crowd, Sgt. Sterns tries to recruit Raiders by telling them the advantages of the Army.

The Warwick Raider Band prepares for the annual Menchville Monarch Marching Invitational at Todds Stadium. The Warwick band won the 1994 Invitational.

Always one step ahead, the alert Officer Thompson maintains peace and tranquility among all Raiders throughout Warwick.

Hard at work in the optometrists office, Chamin Douglas checks out a child's vision.

Stopping for a smile, Kristy Campbell converses with a customer at Food Lion.

Hanging Through The Workday

Warwick High students know how to have fun no matter where they are. Many of Warwick's students worked around the metro area at after-school jobs. Although work could be stressful, they still had a good time. Those students who did not have jobs had plenty of time to hang out. Students found time to meet with friends at several places whether it be school related or not. Well, whatever they were doing, wherever and whenever they were doing it, Warwick students seemed to have a good time.

STEP UP TO THIS

This year first annual step show was a success. The step show was jumping with such names as the Omega Psi Phi, Warwick hit squad and the troopers.

The steppers made it one night for Warwick to remember.

THROUGH IT ALL..

EVERYONE SAYS THAT THE FRIENDSHIPS WE MAKE IN HIGH SCHOOL WILL LAST A LIFETIME. THE OTHER CONNECTION THAT LASTS, EVEN IF ONLY IN OUR MEMORIES, IS THE CONNECTION WE MAKE WITH A TEACHER, ADMINISTRATOR, GUIDANCE COUNSELOR OR COACH WHO TOUCHES OUR LIVES IN A LASTING WAY. AS WE DISCOVER OUR OWN POTENTIAL FOR LEADERSHIP, WE GROW TO ADMIRE THE ACCOMPLISHMENTS AND CONTRIBUTIONS MADE BY OUR FACULTY AND STAFF. THEY HAVE BEEN OUR STRONGEST SUPPORTS AND OFTEN OUR DEAREST FRIEND.

THE STAFF OF *THE WARWICK* HAS BEEN PROUD TO BRING YOU THIS MEMORY OF THE COMMUNITY WE WERE IN 1994 AND 1995. TO THE CLASS OF 1995, WE WISH YOU THE BEST OF LUCK AND LOOK FORWARD TO HEARING OF YOUR MANY SUCCESSES. THE SUPPORT OF W.H.S.'S EXTENDED FAMILY HELPS MAKE OUR INDIVIDUAL SUCCESS AS STUDENTS, LEADERS, ARTIST, AND ATHLETES POSSIBLE. WE WELCOME OUR FAMILIES AND FRIENDS INTO THE WORLD OF *WARWICK HIGH SCHOOL*, AND HOPE THEY HAVE COME TO FEEL AS MUCH A PART OF IT AS WE HAVE.

WE MADE IT!!!!!!
